Summary: "Aralia House" is a beautiful historic island cottage nestled on 1.5 acres of its own private coconut grove on Dunmore Street and just minutes from the wharf and famous Pink Sands Beach. Fully renovated and refurbished in style in 2019, this home is immaculate and the perfect island sanctuary.

There are 3 bedrooms and 2 bathrooms. The main house has two bedrooms - a large master with a king bed and a second bedroom with two twin beds, and the main bathroom. The garden cottage houses the third bedroom with a queen bed and its own private bathroom. There is also a garage/utility room and large backup generator for the property. The beautiful interior design is designed to embody the heartbeat of "Island Life" and the spirit of Harbour Island. Come off the beach and enjoy the heated outdoor shower, lazy island afternoons around the outdoor bar, and entertaining in style in the outdoor dining and lounge areas.

Aralia House is situated on half acre of lushly landscaped property that stretches an entire block from Dunmore Street to
