Summary: The St. Barts Estate embraces the same stylish and fashionable design as the island it was named after. This unit was designed for you to enjoy the indoor and outdoor spaces of your home. Have the option of opening up your living room to outdoor spaces and joining these two rooms as one. Its whimsical features give it a feel all on its own, welcoming you back to encounter the freedom the island offers. The overall ambiance of the St. Barts is one of simple elegance, with modern interiors that leave you feeling like a jet-setting celebrity escaping to your chic enclave, "home away from home." Soothe your mind and enjoy the tranquil waters that only Bimini has to offer; sophistication starts in one place... Rockwell Island.

Island Retreat is a turnkey beachfront estate home with 100ft of beach frontage and 106ft on the bay making this the perfect canvas for inspiration. Escape the hustle of the city and break for the joys of Rockwell Island, North Bimini. Rockwell island is located just moments away from Resorts World Bimini accessing fine dining, fun activities for adults and family, or a night at the casino for gaming or pleasure.
