Summary: Sea La Vie is a stunning home within North Bimini's new and exclusive community Rockwell Island. This beachfront home is positioned along 120 feet of white sand beach front known as Paradise Beach. Built in 2017, this impeccably designed estate comprises the main house, and 100ft of dockage space across approximately an acre of land. Sea La Vie features an impressive entrance foyer with a 12-foot ceiling, and an open plan living area including an exquisitely finished and appointed family sitting room and dining area adjacent to a modern professional-grade kitchen with an island. This home is designer ready. This 6 bedroom, 5.5 bathroom home offers 6,966 sq. ft.

The living and dining areas, as well as the master bedroom, open to a covered patio with space to construct an outdoor kitchen. The patio is the perfect spot to enjoy the views across the swimming pool and garden and out to what we love to call 50 shades of Bimini Blue. The master bedroom features a spacious bathroom suite with a walk-in shower and separate freestanding tub. The dockage is piling ready. One of the only homes with water access completely dredge.
