Summary: With â€™Sunset Vistaâ€™, the first thing you will fall in love with is the VIEW! This property is 1.558 acres of sandy beachfront and stunning sunset views. It's situated close to shopping, the water taxi, and the Bimini Cove Resort (where you can purchase and own a dock slip as well!). The neighbourhood is quiet, and the property is accessed by Queenâ€™s Highway just east of the lots. Water and electricity are onsite while sewage disposal would be by underground cesspit. "Sunset Vista" is the perfect location for building your dream home or small cottages to host family and friends.

Bimini is the closest Bahamian island to the United States and often referred to as your â€™next shore neighbourâ€™. Bimini has long stretches of white, sand beaches, and gin clear ocean. Famous for its colourful history - from rum running and prohibition to Ernest Hemingway and Martin Luther Kingâ€™s - Bimini is historically significant in both our nationsâ€™ histories with historical sites, including Bimini Road, believed to be the legendary Lost City of Atlantis and the Sapona concrete ship, used to store liquor during prohibition. When you live at â€™Sunset Vistaâ€™, the beach is your front yard and dolphins and turtles your closest neighbours. Serious inquiries only please.
