Summary: St Barts Estate is a beautiful property on North Bimini's newest and most exclusive enclave, Rockwell Island. This oceanfront property is situated along 120 feet of white sand beach front known as Paradise Beach. The environment at Rockwell Island is 5-star, with a world-class hotel, private beach, infinity pool, a large range of restaurants, a full-service spa, tennis courts, and a one-of-a-kind marina anchoring the property. The same is true for each one-of-a-kind and flawlessly crafted home on Rockwell Island. Rockwell Island is just minutes away from Resorts World Bimini, where you may enjoy exquisite dining, exciting activities for adults and families, or a night at the casino for gambling or pleasure. "Absolutely Shore" warmly welcomes you.

Absolutely Shore really embraces style. The home was created for you to enjoy both the inside and outdoor spaces. Its unique elements give it a distinct personality, inviting you to return to experience the freedom the island has to offer. Absolutely Shore's general vibe is one of simple elegance, with modern decor that makes you feel like a jet-setting star retreating to your elegant enclave, "home away from home." Relax your thoughts and appreciate the serene seas that only Bimini has to offer;
