Summary: Bonefish Valhalla Villa is an exceptional open water pool home with 120 feet of beachfront. This recently upgraded home boasts an open floor plan with vaulted wood ceilings throughout, there is a wall of glass looking out to the open water and magnificent sunsets. The kitchen has marble countertops and stainless steel appliances. The master bedroom and bathroom has its own private outdoor lounge area, with outdoor shower, and plunge pool looking out to the sea. The outdoor living area has a great entertaining patio with an above ground pool and summer kitchen. There is a large two car/boat garage with plenty of storage all of the toys, a custom built gazebo and watch tower. It has a low maintenance yard, with beautiful flowering plants and fruit bearing trees.
