Summary: Living on a lake estate provides a unique opportunity to enjoy the beauty of nature right outside your doorstep. The fruit trees offer a delightful addition to the landscape, providing fresh and delicious fruits just within reach. With a fixer-upper home that spans 4,000 square feet, there is plenty of room to create a personalized and functional living space that meets your specific needs and preferences. The possibilities for interior and exterior design are endless, allowing you to create a space that truly reflects your style and personality. Whether you're looking to create a cozy retreat or an entertainer's paradise, this lake estate offers the perfect canvas to transform into your dream home.
