Summary: Welcome to your breathtaking sanctuary in Bimini Bay Resort – a luxurious 3-bedroom treehouse spanning 2838 square feet. With an impeccable rental history, this haven offers unparalleled comfort and tranquility. Upon entering, be captivated by the 360° garden view and airy ambiance, courtesy of soaring ceilings and abundant natural light. Nestled amidst lush gardens, the terrace and balconies provide stunning views of the ocean and bay, perfect for unwinding.

Inside, sophisticated living spaces seamlessly blend elegance and comfort. The master suite boasts a 60-inch Samsung Smart TV, California King Bed, and lavish en-suite, while the additional bedrooms ensure restful nights for all. Culinary delights await in the well-appointed kitchen, while the spacious dining area accommodates intimate dinners or family gatherings. Entertainment options abound in the living room, featuring plush seating and a 55-inch Samsung Smart TV. With amenities like central air, washer/dryer, and provided toiletries, every need is met. Plus, two golf cart parking spaces and a portable charcoal grill enhance your stay.
